OVERVIEW

- California University was founded in 1870.
- The school is recognized for excellence in academic programs from the baccalaureate to the postgraduate level.
- Students from all over the state, across the country, and around the world call California University their home away from home.

ACCREDITATION/RECOGNITION

- California University is consistently ranked in the top tier of colleges and universities by *U.S. News & World Report*.
- The school is fully accredited by NCATE, CCNE, IACBE, and NCA.
- Student and faculty documentary films have been featured in the Hollywood Documentary Film Festival.

ACADEMICS

- CU offers more than 150 undergraduate programs of study within eight colleges.
- Programs include arts and sciences, math, technology, engineering, business, and humanities.
- Students have many opportunities for field experience, laboratory research, professional internships, and study abroad.

STUDENT BODY

- Student enrollment in 2007 reached 25,000; 80 percent of students are undergraduates.
- Students represent various ethnic, religious, and cultural backgrounds.

STUDENT LIFE

- Cultural activities abound, including theater productions, films, musical ensembles, concerts, performances, and art exhibits.
- Minority Student Services provides cultural and social events, as well as academic and personal support.
- Varsity teams compete in NCAA Division IA, and hundreds of intramural and club sports teams are available.
- The Student Recreation Center houses a complete health club.

RESIDENTIAL LIVING

- California University offers more than 3,600 bed spaces with double- and single-occupancy rooms.

- Dorms offer private phones, cable TV connectivity, direct personal computer connectivity, and Internet access through a high-speed 10Base-T Ethernet network.
- Co-ed, single-sex, academic, international, and married housing options are also available.
