

Block Ad for GradView Web Site

Thank you for participating in Hobsons' GradView Web site. When you're creating your block ad, you have two options: a block ad with an image or a block ad with an image and text. While you can use the image as an advertisement for your school, you can also use the text to expand upon a timely event (such as an open house or application deadline) or highlight one specific aspect of your school (for example, a new major or a sports highlight).

Please ensure that your block ad meets the criteria outlined in the following checklist. You can submit your block ad via e-mail, CD, DVD, or FTP site.
